EXCLUSIVE MATCHING HARDWOOD ACCESSORIES

Get the exact same color, texture, and finish as your Mirage hardwood floors!

Enhance your home renovation with **exclusive wooden accessories**, expertly crafted from genuine Mirage hardwood flooring to seamlessly match the rest of your home's flooring!

A FLAWLESS AESTHETIC

Achieve a seamless look throughout your home with hardwood stair components, **offered in identical color, texture, and finish options** to perfectly complement your Mirage wood flooring.

CONSISTENT QUALITY

Count on **the same exceptional quality synonymous with our premium products**, made by a proud North American company named best-in-industry 47 times for manufacturing excellence by wood flooring professionals.

NATURALLY RESPONSIBLE

Get sustainable products made from **responsibly harvested wood**. Our locally sourced core materials utilize fast-growing species, promoting rapid resource renewal, while our protective finishes feature hypoallergenic ingredients for a safer home.

EASY MAINTENANCE

Regularly sweep or vacuum for daily upkeep and utilize specially formulated *KLEAN by mirage* products for deep cleaning. Conceal minor scratches or dents from everyday use with our repair kits.

PREMIUM MATCHABLE NOSING

Experience **genuine hardwood flooring** on all **3 visible sides** of the stair nosing, impeccably matching the color, texture, and finish of your other Mirage floors because—hey, it's the same finished flooring!

* Predominantly Quarter Sawn

COMPONENTS FOR HARDWOOD STAIRS

Presenting Mirage Floors premium matchable staircase tread planks, riser planks, and nosings.

PREMIUM WOOD STAIR TREAD AND RISER PLANKS

Elevate each step with the superior durability of TruBalance floorboards, designed for convenient installation on standard stair frames.

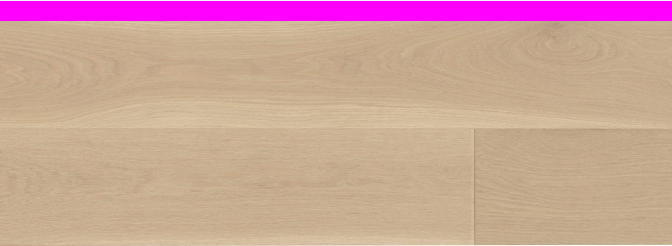

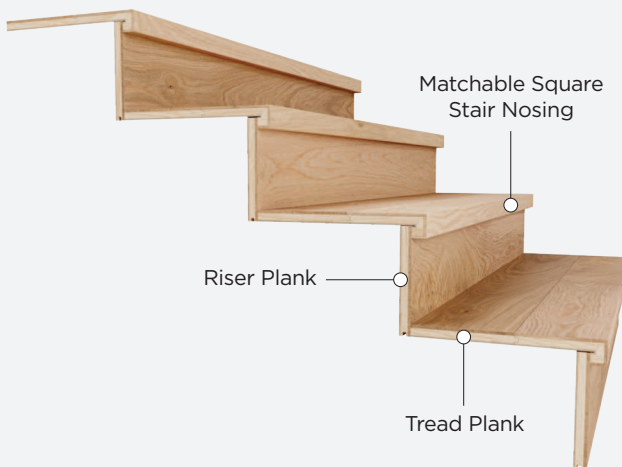

- ✓ Available in full-length 48" planks of 7-3/4" width.
- ✓ Precision-milled tongue and groove configuration guarantees a flawless fit with our premium matchable nosings made with TruBalance floorboards.
- ✓ Allow for integration with various flooring technologies at the stair top, bottom, and landings. (Refer to the installation guide for comprehensive details.)

All tread and riser planks are crafted with robust 3/4" (19 mm) thick TruBalance floorboards:

- Robust 3-ply construction ensures stability and durability.
- Recommended for every story: above, on, and below grade.
- Stable across relative humidity levels ranging from 25% to 80%.
- Finishes deliver exceptional wear resistance.
